

## Jesus - The Ultimate Sacrifice – Preface

These teachings are concerning the Passion of Lord Jesus Christ. It covers the four Gospels of **Mathew 26-28, Mark 14-16, Luke 22-23** and **John 13,18-21pt.**

I was to call this 'The Passion of Christ' but then changed the name to 'Jesus – The Ultimate Sacrifice', the reason being that although these teachings touch the pain and suffering that Jesus bore for us, they concentrate more on what happened behind the crucifixion of Jesus.

You can feel the pain and suffering that Jesus experienced in the following chapters of the Old Testament; **Palms 22: 1-21** and **Isaiah 53** among others.

But these teachings will relate more to the Passion of Christ with the books of Moses.

### **Luke 24:25-27**

*<sup>25</sup> Then he said unto them, O fools, and slow of heart to believe all that the prophets have spoken: <sup>26</sup> Ought not Christ to have suffered these things, and to enter into his glory?*

*<sup>27</sup> And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself.*

The Lord in His mercy and grace opened my mind like He did of the disciples and explained the scriptures.

I pray that the Lord opens your mind too, as you read and reveal to you the beautiful and great things He has done for us through His sacrifice on the cross.
